

The EMF Cell Phone Chip

A US Patent Pending Technology

A complex distribution network called the Meridian System supplies vital energy through every part of the body, allowing it to function properly. Disrupting the Meridian System may cause disease, breakdown of the immune system, and other health related problems.

Nature's Frequencies has developed a variety of Holographic Chips designed to combat these disruptive problems in targeted regions.

For optimal results it is important to keep properly hydrated and drink plenty of water while wearing Holographic Chips.

Nature's Frequencies Holographic Chips work naturally to support the healing and improvement of your health and overall well-being.

The EMF Cell Phone Chip Benefits

Every day the human body is exposed to EMF emitting devices such as cell phones, microwaves, computers, gaming consoles, radios, and a vast amount of other electronic devices.

As technology rapidly evolves, so are the levels of EMF you're being exposed to. Nature's Frequencies offers a Holographic Chip to aid the body in fighting off negative effects of electromagnetic radiation, The EMF Cell Phone Chip.

- Permanently programmed and encoded with natural harmonizing frequencies to restore the body to its optimal functioning rate and aid in protection from toxic effects of EMF*
- Assists in balancing your body's metabolic and electromagnetic systems that become dysfunctional due to EMF and EMR exposure*
- Enhances the body to fight off stress and negative effects of non-ionizing electromagnetic radiation*
- Promotes positive energy flow, helps maintain energy balance, and restores energy to the body that has been disrupted or weakened due to EMF and EMR exposure*
- Utilizes Frequency and Scalar Wave Technology registered by the United States Patent and Trademark Office*

Do not use if you are pregnant, prone to seizures, or have an existing heart condition.

Instructions for Use

Peel and stick one EMF Cell Phone Chip on the back of cell phone, or cell phone case. As long as the hologram remains intact, the EMF Cell Phone Chip will remain effective.

Replace after Holographic Chip shows signs of deterioration. The EMF Cell Phone Chip may also be used on other electronic devices.

See figure below for placement
